

Residential Painting

EXTERIOR TRIM AND WOOD REPAIR

It is all about the details when it comes to a great finished paint job! We have experienced carpenters who can repair and replace trim properly, prior to painting.

INTERIOR PAINT

Make your house a home. Whether you just moved in or need a fresh coat of paint, nothing makes it feel more like home than the exact colors you want and a new paint job.

EXTERIOR PAINT

Painting trim, siding, and brick is the fastest way to add curb appeal and value to your home as well as protecting your biggest asset.

DECK STAINING

The perfect upgrade for your summer hang out. Let Stephens Painting preserve your deck for years to come with a professionally applied coating of stain.

CABINETS & TRIM

Renew your home's cabinets with a refreshed stain, finish, or paint. Let Stephens Painting show you how to refresh your kitchen or bathroom with an all-new look!

SHEETROCK REPAIR

Make sheetrock damage look like it never happened. Our paint crews repair damage prior to painting so that you get the best possible finished product.

FENCE STAINING & POWERWASHING

Don't forget the fence! Over time that fence you never notice can become faded, dirty, and water-stained. Stephens Painting will restore it to like-new condition. Your neighbor will thank you!

RESIDENTIAL ROOF COATINGS

Reflective and waterproof roof coatings are a perfect solution for hot or leaky, flat or low-slope roofs.

GARAGE FLOOR COATINGS

Epoxy floor coatings are a great way to restore that unsightly concrete and create a safer, non-slip, durable surface that looks amazing.

FRONT DOOR REFINISHING

Make sure your front door makes a great first impression. Save big-time by professionally preserving and painting it with a new paint color or by refinishing the stained wood.

CLEANING & POWER WASHING

Clean up dirty entry walks, porches, pool decks, patios, and driveways. Let Stephens Painting powerwash, stain, and beautify it!
